Dear Editor,

**Sub : FALSE, MISLEADING & DENIGRATING News Report in Bangalore Mirror
dt. 30th January, 2010 as regards BMRCL.**

I bring to your attention to the News report that appeared in Bangalore Mirror on 30.1.2010 in page 6 under the heading "**Metro spills blood again**" by your reporter M.K.Ashoka states that "..... when a heavy equipment at construction site of the Bangalore Metro Rail Corporation(BMRCL) crashed on their car in HSR layout on Friday" is a gross negligent and denigrating report.

First and foremost fact is that your reporter is not even aware of the corridor of Bangalore Metro Rail Project and its working area. A simple confirmation from the organization would have avoided such gross negligent and denigrating report.

You are requested to furnish the Corrigendum to your News report since it is factually incorrect, misleading and generally projecting a negative image about the Company and its public standing.

Yours faithfully,

(B.L.Yashavanth Chavan)
