BMRCL/E-115(A)-Vol.IX/2011-12/4002

September 12, 2011

PUBLIC NOTIFICATION

NOTICE is hereby given to the passengers and public at large that the 3rd Rail adjacent to the running tracks on the Baiyappanahalli to M.G. Road on Reach-1 stretch of BMRCL have been energized with 750 V dc supply on the viaduct. In addition, 33 KV Cables are run on the viaduct along the entire stretch. Any direct contact with 750 V dc 3rd Rail or 33 KV system will be fatal. Hence, passengers and public at large are cautioned not to enter and go near the tracks / 3rd Rail at Stations and Viaduct and in the Metro Rail Depot unauthorizedly.

BMRCL will not be responsible for any injury or casualty arising out of this unauthorized act.

Chief Electrical Engineer (Traction)
